Mornington Crescent Challenge

Your mission, should you decide to accept it...
In the time it takes the track to play, work out a route from Perivale to Ongar without:

1. Exposing your rear to shunting
2. Passing water below the diagonal
3. Getting into croup, knip or flange
4. More than one use of the Northern Line

Anyone achieving this before the banjo break should apply to IMCS for Grandmastership status
